

Discovery Homeschool Academy Tuition & Fees 2025 - 2026 School Year

Tuition is due on the first day of each month (*with the exception of the August payment for the Academic program, which is due August 15th*). Monthly tuition invoices will be sent by email to be paid via ACH. Credit/debit card payments are available **with the addition of a transaction fee**. Monthly auto-payment is available and encouraged. Tuition unpaid by the 5th of the month will be subject to a \$10 late fee. If tuition becomes delinquent for more than a week (on the 8th of the month), your child(ren)'s enrollment will be immediately suspended from DHA until payment is received. Enrollment fees are due upon enrollment. Student fees are \$35 per student per program (includes DHA t-shirt). Student fees are included within the first month in the chart below.

All tuition and fees are non-refundable.

****If you have a different number of students attending the Enrichment program than the Academic program (ex: 3 students attending Enrichment, but only 1 student attending Academic), please add the Enrichment (blue) and Academic (purple) sections together to determine your monthly tuition rate. Do NOT use the "Both"/green section. Thank you!**
